

Power, Politics and the Mighty St. Lawrence: Global Lessons From Our Own Backyard

The Honors Program proudly presents a series of fabulous guest speakers, lectures, discussions, films and field trips exploring the forces that have shaped the ecology and communities of the St. Lawrence River. Be amazed by what you don't know about the North Country and what it can teach you about being a citizen of the modern world. Everyone welcome!

Every Wednesday in July, Adirondack Lodge, 6 PM

Possible weekend field trips to Niagara Falls (7/19-21) & Robert Moses State (7/25-26)
